Tuition is an income tax deduction under Revenue Ruling 78-340, 1978-2 C.B. 124 of the Internal Revenue Code. A transportation expense to the special school also qualifies for a medical expense. A medical doctor must make the recommendation that the child attend the school. Always consult with your tax consultant to see how this will affect your tax return.

The Bridges Academy is accredited by Texas Association of Accredited Private Schools for grades first through ninth, is coeducational, and accepts students regardless of race, faith, sex/gender, social economic status or national origin.
